By accessing or using our website (our “Website”), you agree to be bound by our terms of service set forth herein (collectively, our “Terms of Service”). Our Website allows users to access and use our smart profile web application and services therein (the “Platform” and collectively with the Website, our “Services”) and to purchase our smart chip business cards that work exclusively with our Services and connect to a smart profile (our “Smart Card”). Access and use of the Smart Card and Platform are also governed by these Terms of Service. If you do not agree with our Terms of Service, your sole recourse is to discontinue use of our Services and Smart Cards immediately.

By using our Services or Smart Cards, you are also consenting to the terms of our privacy policy located at [<https://qwik.digital/Privacy-Policy.pdf>] (our “Privacy Policy”), which sets out our personal information gathering and dissemination practices.

The Services and Website are owned and operated by E-Ventures Group LLC and/or its affiliates (references to “QWIK”, “we”, “us”, or “our” are references to E-Ventures Group LLC and/or its affiliates).

### 1. SERVICES

- 1.1. Access.** We grant you a non-exclusive, non-transferable, revocable, limited right to access and use our Services for your own personal networking purposes. The extent of your right of access and use may be subject to (i) your creation of an account within the Service; and (ii) the extent to which you subscribe for premium features within the Service. You agree that you will not copy, attempt to reverse engineer, modify,

translate, or disassemble our Services in whole or in part. You may not use or export or re-export our Services except as permitted under the law of the United States and the laws of the jurisdiction in which our Services were obtained.

- 1.2. **Updates to the Services.** We may update, change, or remove the features or functionality of the Services from time to time with or without notice to you, which means that the Services will evolve as time goes on.
- 1.3. **Public Profiles. IMPORTANT: You understand and agree that a key function of the Service is making your contact information available through a “smart profile”, which is a dedicated URL containing the contact and other information that you wish to share and which you can manage through the Service. You understand and agree that any personal information you make available on your smart profile within the Services will be published at a publicly accessible and searchable URL. Any third party will be able to view your smart profile through that URL. This includes individuals that receive the URL by connecting with your Smart Card (whether intentionally or inadvertently), as well as any third party with which the individual may share such URL, and any third party who otherwise becomes aware of such URL (whether through an internet search or otherwise). You further understand and agree that your Smart Card works by sharing a link to your public profile URL, and that your Smart Card is not a private means of sharing your contact information**
- 1.4. **Trials.** QWIK may make available trial periods of the Services. If you subscribe to the Services for a free trial, and do not cancel the subscription prior to the end of the free trial period, the terms will be automatically renewed at QWIK's then-current fee for such services unless you opt out of the auto-renewal/decline to renew your subscription. Any data or content uploaded by you, as well as any setting or other customizations to your account, may be deleted by QWIK if you do not subscribe to the Services following the trial.

## 2. ACCOUNT REGISTRATION

- 2.1. **Account.** In order to become a registered user of our Services, you will be asked to create an account using your email address through the Services. The email address you provided will be how you access your QWIK Account, if you registered using this method.
- 2.2. **Your Responsibilities.** You agree to provide true, current, complete, and accurate information as requested, and to update that information as soon as possible after any information on such registration changes. You alone are responsible for keeping your Account login information and associated passwords confidential, and for any and all of your Account activity. Therefore, you should protect your password and make your password secure and difficult for others to guess. You agree to immediately notify us of any unauthorized use of your Account or any other breach of security via [hello@methodic.support](mailto:hello@methodic.support). You are solely responsible for any actions under your Account due to your acts or omissions. You are responsible for keeping your online Account password, or PIN, confidential.

**2.3. Account Owner.** Our Services allow individuals to purchase a subscription to the Services that allows their Account to be linked to multiple smart profiles and multiple Smart Cards (“Multi-user Account”). The individual that purchased the Multi-user Account is the owner of the Account (“Owner”). The Owner controls the Multi-user Account, and when a user of a Multi-user Account has questions, we may respond only to the Owner in some cases.

### **3. FEES AND PAYMENT TERMS**

**3.1. Scope.** Users can purchase Smart Cards and register for paid subscriptions to our Services through our Website (“Purchase(s)”). All Purchases are subject to the terms in this Section 3.

**3.2. Billing Information.** If you make a Purchase, you are required to provide valid credit card information or other acceptable payment information (collectively known as “Billing Information”), which will be provided to QWIK’s third-party payment processor (“Payment Processor”) and used to charge any fees. You shall promptly advise QWIK if your Billing Information changes due to loss, theft, cancellation, expiry, or otherwise, and you shall be liable for any failure to pay fees caused by out-of-date Billing Information.

**3.3. Payment and Term.** By subscribing to the Services through a Purchase (a “Subscription”), you agree to our annual Subscription term of twelve (12) months, or such other term as specified at the time of Purchase (the “Term”). Upon the expiration of the Term, your Subscription will automatically renew for an additional twelve (12) months, or other renewal term specified, unless cancelled at least two (2) business days before your next billing date.

**3.4. Payment Method.** Subscription fees are billed on a yearly basis at the beginning of each Subscription period and are non-refundable. Please note that our fees are subject to change. You hereby agree that all payments will be processed using QWIK’s Payment Processor and that all such payments will be governed by the Payment Processor’s terms and conditions published by the Payment Processor. By making a Purchase, you authorize QWIK to charge your Billing Information in accordance with these Terms.

**3.5. Fees.** You agree to pay the applicable fees presented to you at the time of your Purchase, which may include a Smart Card fee, a Subscription fee, usage fees or other license fees, depending on the nature of your Purchase (“Fees”). The Fees may be subject to applicable taxes which you will be responsible for paying. QWIK does not offer refunds for any Purchases.

### **4. SMART CARDS**

**4.1. Orders.** QWIK processes and ships Smart Cards upon receipt of payment of applicable Fees. While QWIK uses commercially reasonable efforts to deliver the Smart Card to you in accordance with the time frame indicated in your order, QWIK is not responsible for any shipping delays unless caused by QWIK’s negligence.

- 4.2. Shipping Costs; Risk and Title.** You shall be responsible for all shipping costs, handling costs, service costs, insurance costs, delivery charges for all Smart Card deliveries to you. The risk of loss of or damage to the units of the Smart Cards ordered by you shall transfer to you upon delivery of such units either i) to your carrier; or ii) to your premises (as applicable). Title to the Smart Cards ordered by you shall pass to you only on payment in full of all applicable Fees specified in your order. You shall comply with all relevant export and import laws and regulations as they apply to Smart Card deliveries and related materials provided by us to you pursuant to these Terms of Service.
- 4.3. Damage to Card.** Smart Card users are solely responsible for their Smart Cards after delivery. Smart Card users should not bend cards or store cards at high temperatures. While QWIK makes commercially reasonable efforts to assist Smart Card users that experience functionality issues, the Smart Cards are provided “AS IS” with all faults, and QWIK is not liable for any Smart Card damage or loss of functionality after delivery.
- 4.4. Security.** You are responsible for safeguarding your Smart Card against loss or theft and for keeping your online Account password, or PIN, confidential. QWIK will have no liability for damage or loss of functionality of a Smart Card after delivery.
- 4.5. Connectivity.** You are responsible for obtaining and maintaining, at your sole expense, all hardware, software, and devices (e.g., mobile devices) that you require to access and use the Smart Card. We are not responsible for and have no liability with respect to the selection, purchase, maintenance, or proper functioning of any such hardware, software, equipment, devices, and services.
- 4.6. Replacements.** You are solely responsible for maintaining your Smart Card in proper working condition. A replacement fee may be charged for lost, stolen, misplaced, or abused Smart Card.
- 4.7. Lost or Stolen Cards.** If your Smart Card is lost or stolen, you may deactivate the card online immediately, or notify support. Notification can be made by emailing [hello@methodic.support]. Until notice has been received, you will be responsible for all use of your Smart Card, whether or not such use is authorized by you until the card is deactivated. Once your old Smart Card is replaced due to theft or loss, it may be re-activated should you find it at a later date.
